ABOUT THIS COURSE

This course is designed to help people improve their reading, writing, and math skills for employment or further study in the Building and Construction Industry. Students will be provided with support and guidance to identify their strengths, interests, and goals.

WHAT THIS COURSE OFFERS

This course will focus on the reading, writing, and maths aspects in the following topics:

- Hands-on activities/projects,
- Getting to know the workplace,
- Workplace diversity awareness,
- Job roles and responsibilities,
- The purpose of a toolbox meeting,
- Teamwork and communication,
- Following and giving instructions,
- Occupational Health and Safety,
- Incident and accident reporting,
- Basic first aid,
- Preparing for a White Card,
- Preparing for an online test,
- Other certificates and licences,
- ... and so much more!

WHAT YOU NEED TO BRING

- A notebook and pen if you wish to take further notes.
- Your lunch. There is a lounge area with a microwave, sandwich press, and fridge. Free tea, coffee and filtered water is also available.
- A friendly smile and a willingness to have some fun while learning 😊
